Subject

Changes and clarification to Education and Training Voucher (ETV) policy.

- Youth award amounts are based on available federal and state funds.
- A student may receive ETV funds as long as he or she is in good standing and making progress towards completing his or her program or graduating. A student must earn no less than a cumulative 2.0 Grade Point Average (GPA). If the GPA goes below a cumulative 2.0 the youth will not be awarded ETV funds again until it is brought to a 2.0 or above.

If a youth is attending a technical/vocational program that does not provide a GPA the youth must have passing marks by the program's standards. If it goes below passing marks in a technical/vocational program, the youth will not be awarded ETV funds again until they are passing.

- A youth must not drop or have an incomplete from more than one class in a semester. If he/she does, the youth will not be awarded ETV funds again until a semester is completed without a dropping a class or having an incomplete from more than one class.

Reason: Policy clarification.
